DATE : October 27, 2014

The PPSC is committed to promote the "CULTURE OF SAVINGS" and instill the values of judicious management and sound disposition of financial resource of the students particularly the recruits and promote the virtues of industry and frugality.

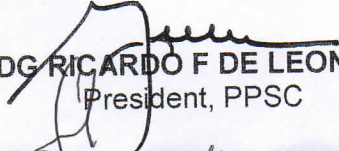

Towards this end, the PPSC has tapped the services of the Public Safety Savings and Loan Association (PSSLAI), a non-stock savings and loan association with an approved mandate to encourage industry, frugality and the accumulation of savings, and judicious utilization of credit among public safety employees and uniformed personnel.

In this regard, the PPSC Constitutive Units are hereby directed to solely patronize the products and services of the PSSLAI, the official savings and loan service provider with existing ties with PPSC and PNP thru its Memoranda of Agreement (MOA) which we are bound to honor as our duty and obligation.

PSSLAI representatives are hereby authorized to conduct information campaign in your respective units/training centers.

Further, this is to reiterate my earlier directive that no MANDATORY DEDUCTIONS shall be entertained against all our students and personnel and will not honor similar undertakings with other credit institutions.

For strict compliance.
